Get ready for the 2009 Annual Distributor's Show in Tulsa on February 7th at the Tulsa Select Hotel

Don't forget the free lunch sponsored by IDN Acme and IR from 11:30 to 1:30
Come see us, visit with your Distributors, and have a great time visiting with old and new friends.

In addition to the show, we are scheduling 3 separate 1 hour seminars running at various times during the show, so none will impact the attendance of the show. The seminars will be presented by some of the Distributors. We're looking at scheduling the first at 9:30, the second at 10:30, and the third at 1:30. Times will be adjusted to fit individual schedules of the distributors. At this time, we aren't pre-registering for the seminars, but this could change.

When classes are scheduled, you will need to pre-register for the class no later than 30 days prior to the class date, so please submit your information to Mary so she can get you on the schedule. Class size is always limited to no more than 30 people, so get your spot early.

OMLA Members special notice

Our Secretary, Mary Osborne has now lost her father, Glen Fleming, to health problems. Her Mother had passed away this summer. His service will be in Henryetta, OK. at the United Methodist Church at 10 AM December 22nd, 2008. The grave-side service will be in Liberal Kansas at 10 AM December 23rd, 2008. Please keep Mary & Brad and the family in your prayers.

2008 ALOA Convention in Dallas

Three of us (Charles Hudecek, Clarence Weber, and I) plus two of the spouses, manned the OMLA booth at the annual show. We were able to do a lot of networking for the Association, and hopefully, we'll have some great educational opportunities in the years to come. Also made some headway on expanding our annual distributor's show for 2009 and 2010. Our next location for the Association will be the OSAE Vendor's Show at the Reed Center in OKC July 14th and 15th. Networking for the Association trying to drive business your way. Will let you know how that went the end of the month.

We, as an Industry, need to begin promoting ourselves by displaying our company license numbers on our vehicles, our ads, our business cards, pens, whatever we advertise on. We need to help the public to know and understand our license number assures them of getting quality, properly licensed locksmiths for their needs every time, because they'll know they can trust us. In time, they'll learn to depend on us for all their work needs. We are Security Professionals, not "rip-off artists". If you find people doing locksmith work who shouldn't be, please take the time to fill out the complaint form and submit it to the State. If the State doesn't receive the form, they can't act on the problem. The form is essential for follow-up and action by enforcement.

There is a tab on the Website home page menu to access the complaint form.

OKC & Tulsa AT&T Yellow Pages

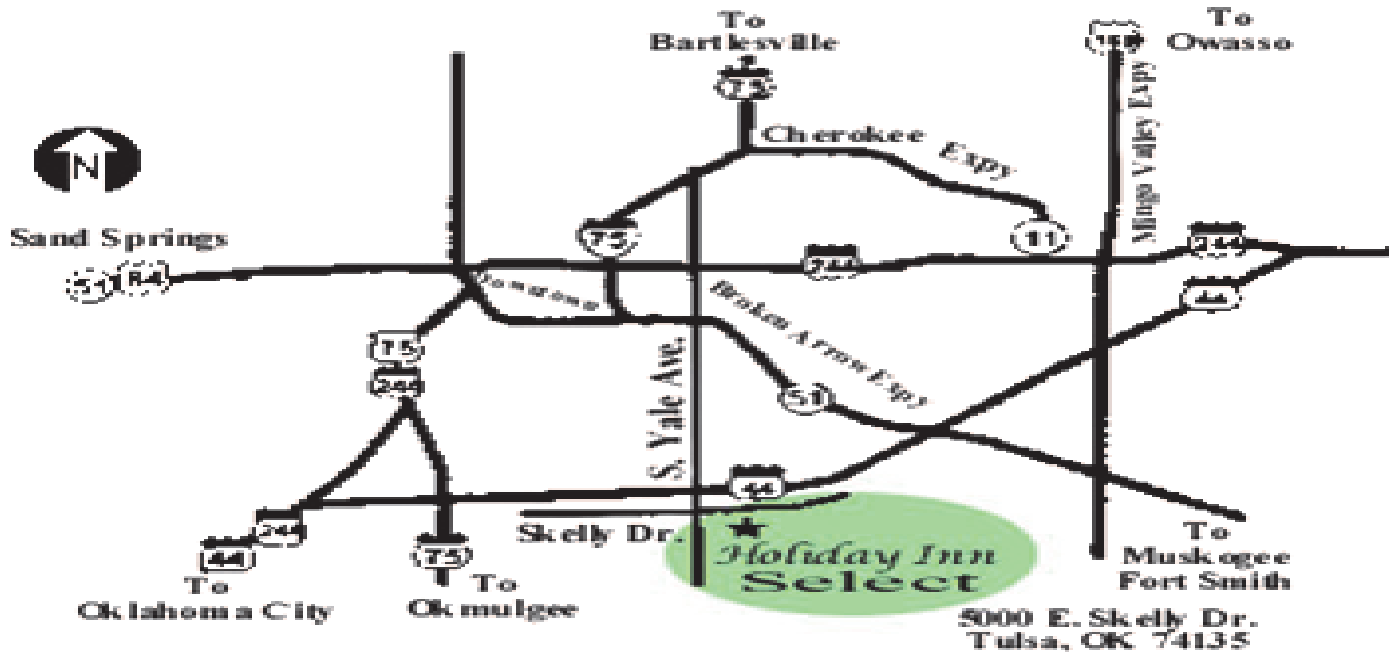

inundated with hundreds of phony locksmith ads

If those of you in the OKC area haven't noticed by now, the new AT&T YPs are full of phony locksmith ads.

Our only recourse at this point is to download and submit complaint forms (available for download at our main menu) to the State Health Department. If enough complaints are submitted, the AG will be forced to act. We're trying to notify as many phone book companies as possible so some of this can be stopped. It will take all of us to bring this to some sort of halt. Please do your part and file a complaint with the State. All we can do is try!!!

Association Announcements

**Have you noticed the website has undergone some changes!
What do you think????**

We now have representation in the Oklahoma Society of Association Executives. This will provide great networking opportunities for getting the association's name and membership out to most of the major corporations within and around the State of Oklahoma.

Members sworn in during 2008 were: Margaret Brill with Choctaw Locksmith, Scott Minick with Ambassador Lock & Key, Bill Bybee (TX) with Bybee Lock & Key, Trey Crowder III with Tulsa Lock & Key, Mitchell McNulty with Holder's Security, Sam Smith III with Collar Marketing, LLC., and Malcom Foster and Harry Alan Bryan from Foster's Lock Service in Gainsville, TX.

Dues for 2008 and beyond have increased to \$50 per year as of January 1st, 2008. They should be mailed to Mary Osborne. The 2008 dues have to be in by April 1st, each year for you to maintain active member status. (see officers list in the members section for mailing information) We are trying to get the membership list up to date, so help as you can with correct addresses, e-mails, etc. and if you have not paid your dues yet, please do so so we can update our roster, etc.

Our 2007 Kenny Lee Lifetime Achievement Award was presented to Charles Hudecek for all the dedicated service and sacrifice he's provided to the locksmith industry these past 4 years. He continues to be our Educational Liaison for licensing education. As there were no nominees for the award in 2008, the award was not presented this year.

When our Editor had his computer crash, he lost all the e-mail addresses for the members. Please send your e-mail address to omla-editor@cox.net so he can re-build his list. With that in mind, those of you who have requested and paid for hard copies of the newsletter will have your time period adjusted. Can't have you paying for something you haven't received. Please make sure our Editor has your correct e-mail address.
