February 3rd, 2007 is fast approaching and we will be enjoying our Annual Distributor's Show in Tulsa, OK. at the Holiday Inn Select. The show will start at 9 AM and finish by 4 PM. Our general business meeting will start approximately 30 minutes after the show finishes. Please plan on staying around for the meeting.

If you haven't made your reservations yet, you need to do that quickly to take advantage of the special room rates available to the association.

Many of our regular Distributors (some of which are: Hans Johnsen, H.L. Flake, H & L Simon, HPC, SAS, IDN Acme, The Shuck Group, SSA, Clark Security, just to mention a few cause I'm sure I've missed some one) and some new ones will be at the show this year, (Harry Sher has the complete list) and IDN Acme is providing our lunch again this year. Be sure you stop by and thank the folks for all they do for us all year long. They need us and we need them so let's support each other.

The actual licensing process will be starting soon, so get ready to get your package prepared and turned in before the end of March.

Dues for 2007 need to be paid by April 1st, 2007, so get them in. Taking care of them at the show is a perfect time to get it done.

There are no classes being held in February due to the show. We have a class based on new access control technology (wireless) scheduled in May in OKC, and we're looking at having a Tidel class in August at Tulsa.

Our Association is going to be very busy for the next several months so see what you can do to assist. How we react as the State Association will make a big difference to those who are not now part of our organization. This is a great time for us to grow. Thanks for making this such a great Association!!!!

The amended rules for the Alarm & Locksmith Industry Act have been approved by the Oklahoma Board of Health and Governor Henry signed them December 21st. Once the Secretary of State posts them, they'll be forwarded to the State Board of Health.

Contacts for information about licensing are:

**Lowell Roberts at 405-732-5838 or
Charles Hudecek at 580-512-6170.**

The Oklahoma Department of Health will be mailing out the packets beginning the first of January, 2007. If you have not received the packet by mid January, 2007, contact us or the Health Department so the packet can be sent out to you. We've tried diligently to include everyone, but have no doubt we'll miss someone, so heads up and be watching. Plan on attending whichever meeting best fits your needs. We've tried to spread the meetings out to accommodate as many folks as possible.

Each meeting location will consist of the following:

A welcome area at the front; a photo area for pictures; an area for one-on-one assistance in filling out and verifying the application and supporting documents and notarizing the applicant's signature; a fingerprint area where the completed prints (and rest of the application & documents) will be sealed and given over to State custody; and a presentation by Matt Schue all applicants are required to attend explaining the information the State expects each locksmith to provide the Inspector during any routine inspection once the individual is licensed.

Applicant must provide evidence they were engaged in Locksmithing, electronic access control, nurse call, or closed circuit television prior to January 1st, 2007.

Examples of evidence include but are not limited to;

- (A) Invoices for work performed.**
- (B) Purchase receipts for industry related equipment.**
- (C) Documents of installation or services by employees.**
- (D) Other documents as approved by the committee.**

We will be needing several volunteers to assist at these meetings as we'll be helping several applicants, so please contact Charles as to when and where you can help. The Alarm folks have indicated they will be assisting also.

If you have questions about any of the locations or times below, Charles Hudecek can be reached any time at (580-512-6170)
