Notes from the Pres

As you've observed on the web site (if you've looked), the Alarm and Locksmith Industry Act has been signed into law by the Governor and becomes affective Jan 1, 2007.

There will be sessions scheduled to help folks in Oklahoma (and those in the surrounding states that do business in Oklahoma) get their information gathered and ready to submit to the State Dept. of Health and the OSBI after Jan. 1st, 2007. Charles & Lowell are heading these up and we'll provide the schedules as they become available. We may begin sessions as soon as the August meeting if everything is ready to go. We don't know that yet.

Our annual swap meet will be held at the regular meeting time in OKC in August (3rd weekend). John Ruperd is organizing the event, so get with him to reserve your tables.

We need to know who & how many to know what size room to get, so please sign up early. (John's info is available in the education portion of the newsletter)

I've received a note from John Arnold, CML (TLA VP). The TLA Convention will be held on Feb 14th thru the 18th, so there's no conflict for us or them. Thank them for their cooperation in re-scheduling when you get a chance.

We will be electing regional Directors at the November meeting, so be prepared for that.

Attending meetings will become more and more important as time goes by, so get in the practice of attending now. It's in your best interest.
