Also, mentioned about OMLA's Facebook page "The Oklahoma Master Locksmith Association" It is a member only page at this time. You go to the page and request entry and one of the admins with approve.

Lowell said there are about 3 new bills that are out there. SB531 Is the one where anyone with any type of License will be able to install, repair or modify any component of an integrated security system excluding commercial fire or fire sprinkler system, without getting multiple licenses.

SB113 and HB1593 Are the ones that will give the commissioner of labor total control over everything at labor, but they were put on hold by the commissioner of labor this year. The commissioner of labor is the chair of a task force looking into all licenses whose report is due out Dec. 2017.

SJR 8 and SJR 22 are to make the commissioner of labor an appointed job, not an elected one. This will give the Governor total control, leaving out the Senate.

Ron also commented on what Lowell had said and info added comment on OKBFAA. All info should be on our web page.

GOOD OF THE ORDER

Ginny commented on Swap meet and that all need to start setting things aside for next year's Swap Meet which will be in OKC.

Frank commented and sent out thanks to Jackie and Lowell for the great food. All prayers out for the individuals that are having or family having health issues. Also that our next meeting will be in OKC @ the Saddleback Inn.
