UNFINISHED BUSINESS

Comments about the Annual Trade Show just completed were made by all, and thanks extended to the Distributors for their presence and participation helping to make the annual show such a success.

There were no old business items discussed and moved on to new business.

NEW BUSINESS

Upcoming Legislation was discussed as Lowell and Charles updated the members on new or changing issues the Association might be concerned or effected by.

As the scheduled swap meet was to begin at 7 PM and some setup was required, the business meeting was shortened so folks could break for supper and get back in time for the swap meet.

GOOD OF THE ORDER

Several voiced thanks for the good show.

The meeting adjourned just before 5 PM.

Next meeting will be held in Tulsa at the Wyndham Tulsa, May 3rd, 2014.
