

August Training—Introduction to Safe Deposit Boxes / Advanced Picking

This is two classes—one AM and one PM that will last a few hours each. The AM class will be Introduction to Safe Deposit Boxes. Patrick Walling, OMLA Vice President, will be providing training on methods of opening Safe Deposit Box Locks for Facilities where the renter's keys are missing. It will conclude around noon. Lunch will be provided. The PM class will start immediately after the membership meeting and will be Advanced Picking. This hands on class, lead by Ron Bada, will go thru picking techniques and tricks on a number of intermediate and difficult applications.

Class will begin at 8AM on Saturday, August 6. We will break for lunch at noon. The OMLA membership meeting begins at 1PM, and then the PM class will resume a few minutes after the meeting. Class should end around 4:30PM.

Cost of this class is \$100. The fee is set for either one or both classes. Registration is on page 9 of the newsletter, and must be turned into Clarence by Wednesday, August 3. Check can be included or you can call Clarence to pay over the phone. Lunch is provided and you are invited to stay for the membership meeting, whether you are an OMLA member or not. Only checks can be collected at time of class—any CC payments must be paid in advance with Clarence.

All events this day are being held in Oklahoma City, at ADT Security, 7504 Broadway Extension, 73116.
