One change to fix the language in the Act to specify that the advisory committee should recommend to the commissions and not control the requirements for some licenses.

Any Committee

Comm: _____

Chair: _____

Notes: _____

Comm: Cons/ByL

Chair: Brekel

Notes: Proposed Constitution changes were distributed. Debate on whether to table this or do we think we can get thru it very quickly to not interfere with class scheduled. Maybe May would be better with no lunch and an earlier membership meeting before the picnic.
