ODOL Licensing Classes

Locksmith Technician License or Access Control Technician License

OMLA is planning a Technician Licensing class on Saturday, November 18 and Sunday, November 19. This combined class is for the **Locksmith Technician License** or the **Access Control Technician License**, but not both. You must sign up for one or the other as they will take place at the same time and same place.

Saturday will begin at 8AM and end around 5PM. Sunday will begin at Noon and end around 3PM depending on questions. Donuts and pizza will be provided on Saturday. If you are interested, you must fill out the registration form and submit it with payment by September 12, so we can begin planning for the class. Form is on the next page here in the newsletter. You may either email it or mail it to Clarence at the addresses on the form!!! .

With Deepest
Sympathy

On Sept 10 last year, the Roberts family had the Celebration of Life for Lowell and Jackie Roberts son John Dale Roberts. John passed away in July 2022 just after visiting with Lowell and Jackie. They were in Texas at this tragic time. Many of the Association members were praying for and supporting Lowell and Jackie in what was one of the most difficult times of their life. OMLA is a family here to support one another. Rest in Peace John.

In Loving Memory

JOHN DALE ROBERTS

Entered Into Life
September 7, 1959
Boise, Idaho

Entered Into Rest
July 6, 2022
League City, Texas

Age
62 Years

OMLA Experience Workshop

OMLA has been working hard on an experience locksmith workshop class that we are ready to fill. It is scheduled for Saturday, December 9 beginning at 8AM. This all day class will be almost 100% hands on with no lecture except for instructions. Registration form is on the next page. It will include the following topics:

Advanced Picking and Impressioning
Advanced Rekeying including Master Keying
Installing and Rekeying a Kwikset Lock
Installing and Rekeying a Kwikset SmartLock with Touchpad

Students will have a display allowing them to practice all of the above skills on various skill levels in addition to the new topics. Class will be approximately 8 hours with lunch included. Fee for this class is \$200 paid to OMLA in advance, and \$100 paid to instructors for lab fees and supplies. All students will have a tool kit that they will be able to keep when leaving that will include:

Kwikset Knob and Deadbolt set
Kwikset Release Tool
Screwdriver
Tape Measure
Flashlight
Pinning Mat
Pinning Tweezer
Pinning set including case, Kwikset pins and Kwikset master pins, follower, shims, and springs

This class can count toward you 8 hours of experience for an ODOL Manager's License.

November Training—Principles of Master Keying by Harry Sher

This is a comprehensive introductory course in split pin master keying including: Standard Key Coding System, Expansion Planning, Record Keeping, Selecting Top Master Keys, Managing MACS Loss, Basic Problems, Dividing the Key, Incidental Masters, Cross Keying, and Parity . It is taught by an excellent Certified Master Locksmith known widely as one of the best locksmith instructors around.

Cost for this class will be \$150 for members and \$200 for non-members. Employees of member owners will be allowed at member rate. Board members will also need to pay as this is a per student fee structure for this class.

The class will begin at 8AM and break at 11:30 for lunch and the membership meeting. It will resume around 1:15 and conclude around 4:30 give or take.

Class is at ADT, 7504 Broadway Extension, Oklahoma City ,OK 73116.

Harry Sher

Harry Sher is a Certified Master Locksmith, a Certified Professional Safe Technician, a Certified GSA Container and Vault Technician and Inspector and a Certified Fire Door Inspector. He has been a locksmith since the 1950's. He is an active member of the Associated Locksmiths of America, the Safe and Vault Technicians Association and the International Association of Investigative Locksmiths and numerous local associations. He is former ALOA Board member and Past President of the Ozark Professional Locksmith Association, and the Missouri-Kansas Locksmith Association, and Past Vice President of the Oklahoma Master Locksmith Association. Harry has over 37 years of Federal Service. He has taught Federal Officers beginning in 1967. Most recently, he was responsible for building a training facility for the National Nuclear Security Administration. He has taught classes for many local and regional locksmith associations as well as the Associated Locksmiths of America (ACE Instructor of the year Award 2007) and the Safe and Vault Technicians Association. He teaches Safe and Vault classes such as Safe Work for Dummies and GSA Containers and general locksmithing classes such as Interchangeable Core, Master Keying, and Defense Against Methods of Entry.
